Certified Professional in Talent Development (CPTD) – Preparation Course

Duration	Category	Ref
2 Weeks	**Special Courses**	**SC385**
Language	Certificate	
English	**Certificate of attendance**	

Introduction

The Certified Professional in Talent Development (CPTD) is a globally recognized certification offered by the Association for Talent Development (ATD) that validates deep expertise and capability in talent development practices. This preparation course is designed to equip professionals with the knowledge, confidence, and strategies needed to succeed in the CPTD examination and advance their careers in learning and development, talent management, and organizational performance.

Through an intensive and structured 10-day program, participants will gain an in-depth understanding of the ATD Talent Development Capability Model™, focus on exam preparation strategies, and engage in practical exercises, case studies, and mock examinations. The program ensures readiness not only for the certification exam but also for applying global best practices in talent development within their organizations.

Course Objectives

Upon completing this program, participants will be able to:

- Understand the structure, domains, and scoring of the CPTD certification exam
- Gain a comprehensive understanding of the ATD Talent Development Capability Model™
- Assess their current level of knowledge and identify improvement areas
- Apply best practices across key domains:
    - Developing Professional Capability
    - Building Personal Capability
    - Impacting Organizational Capability
- Use proven exam preparation strategies and study tools
- Practice exam-style questions and real-world scenarios
- Build confidence and readiness for the CPTD certification exam

Course Methodology

- **Lectures and Expert Insights** – Delivered by experienced talent development professionals
- **Case Studies** – Analysis of real organizational learning and development challenges
- **Group Discussions** – Peer learning and knowledge exchange
- **Role-Playing & Simulations** – Practicing coaching, facilitation, and consulting scenarios
- **Hands-on Workshops** – Application of tools, frameworks, and assessment models
- **Practice Exams & Review Sessions** – CPTD-style mock tests and feedback

Organizational Impact

Organizations will benefit from participants who can:

- Align learning strategies with business objectives
- Improve workforce capability and performance
- Design and implement effective learning programs
- Evaluate and measure learning impact and ROI
- Apply globally recognized standards in talent development

Personal Impact

Participants will:

- Prepare confidently for the CPTD exam with structured guidance
- Gain a deep understanding of the ATD Capability Model™
- Strengthen expertise in instructional design, learning sciences, and performance improvement
- Increase professional credibility in the talent development field
- Enhance career opportunities in learning and organizational development

Who Should Attend

This program is ideal for:

- Learning and Development professionals with **5+ years of experience**
- HR and Organizational Development specialists
- Talent Development managers and consultants
- Instructional designers and trainers
- Professionals planning to sit for the CPTD exam within **6–12 months**
