Human Capital Operations Excellence

Duration	Category	Ref
1 Week	**Audit & Governance**	**AG419**
Language	Certificate	
English	**Certificate of attendance**	

Introduction

Human Capital Operations Excellence is designed to equip HR and Human Capital professionals with the knowledge and practical skills required to manage and optimize day-to-day HR operations effectively. The course focuses on enhancing operational efficiency, improving employee services, ensuring compliance with organizational policies, and leveraging best practices to support workforce performance and organizational success.

Course Objectives

By the end of this course, participants will be able to:

- Understand the core functions of Human Capital Operations.
- Improve the efficiency and effectiveness of HR operational processes.
- Manage employee lifecycle activities from onboarding to separation.
- Apply HR policies, procedures, and compliance requirements effectively.
- Enhance employee service delivery and stakeholder satisfaction.
- Utilize HR data and reporting to support decision-making.
- Identify opportunities for process improvement and operational excellence.
- Implement best practices in workforce administration and support services.
