Managing Government and Regulatory Affairs

Duration	Category	Ref
1 Week	**Audit & Governance**	**AG427**
Language	Certificate	
English	**Certificate of attendance**	

Introduction

Organisations operate within a complex regulatory environment that requires effective engagement with government entities, regulatory bodies, and public institutions. This course provides participants with the knowledge and skills necessary to manage government relations, navigate regulatory requirements, ensure compliance, and build productive relationships with key stakeholders in the public sector.

Objectives

By the end of this course, participants will be able to:

- Understand the role and importance of government and regulatory affairs.
- Identify key government and regulatory stakeholders.
- Develop effective strategies for government engagement and communication.
- Interpret and respond to regulatory requirements and changes.
- Strengthen compliance and governance practices.
- Manage regulatory risks and stakeholder expectations.
- Support organisational objectives through effective public sector engagement.
- Develop action plans for improving government and regulatory affairs management.
