Effective Business Communication Skills

Duration	Category	Ref
1 Week	**PR & Media**	**PR423**
Language	Certificate	
English	**Certificate of attendance**	

Introduction

Effective communication is one of the most important skills in today's business environment. Professionals at all levels must be able to communicate clearly, confidently, and professionally with colleagues, customers, stakeholders, and management. This course provides participants with practical communication techniques to enhance workplace interactions, improve collaboration, strengthen professional relationships, and achieve business objectives more effectively.

Objectives

By the end of this course, participants will be able to:

- Apply the principles of effective business communication.
- Improve verbal and non-verbal communication skills.
- Practice active listening and effective questioning techniques.
- Write professional business emails and reports.
- Deliver effective presentations and participate confidently in meetings.
- Handle difficult conversations and workplace conflicts professionally.
- Build stronger relationships with colleagues, customers, and stakeholders.
