HR Key Performance Indicators: Measuring What Matters

Geneva · 23 - 27 Nov 2026

Date	Venue	Duration
23 - 27 Nov 2026	**Geneva**	**1 Week**
Fee	Ref	Language
£5,250 GBP	**HR290**	**English**

Introduction

The training programme HR Key Performance Indicators: Measuring What Matters is meticulously designed by Horizon Plus Training Center to provide HR professionals with the knowledge and tools to establish, monitor, and optimise key performance indicators (KPIs) that truly matter. The programme emphasises aligning HR metrics with organisational goals to drive performance, ensure accountability, and deliver measurable results. Participants will learn to design effective KPIs, analyse their impact, and utilise the insights to foster organisational growth and employee development.

Objectives

By the end of this programme, participants will be able to:

1. Understand the concept and importance of HR KPIs and their alignment with business goals.
2. Design and implement effective KPIs to measure HR success.
3. Analyse HR data to derive actionable insights and improve workforce performance.
4. Benchmark organisational HR metrics with industry standards.
5. Create strategies to enhance employee productivity, retention, and engagement using KPI results.

Course Methodology

This course employs a blend of methodologies, including:

- Interactive presentations and expert-led discussions.
- Hands-on workshops to design and evaluate HR KPIs.
- Case studies and real-world examples for practical understanding.
- Group activities and collaborative problem-solving.
- Tools and templates for participants to implement in their organisations.

Organisational Impact

By participating in this programme, organisations can:

1. Develop a robust framework for measuring HR effectiveness and efficiency.
2. Enhance decision-making with data-driven insights on HR performance.
3. Align HR initiatives with strategic business objectives.
4. Improve employee engagement, retention, and productivity.
5. Foster a culture of accountability and continuous improvement within HR teams.

Target Audience

This programme is designed for:

- HR Managers and Executives.
- Talent Acquisition Specialists.
- Organisational Development Professionals.
- Workforce Planning Analysts.
- Anyone involved in HR analytics or performance measurement.

Course Outline
