£5,000 GBP	**AG326**	**English**

Introduction

In today’s complex governance landscape, the ability to influence policy decisions, build constructive relationships with government stakeholders, and advocate effectively for change is essential for public and private organisations alike. This course equips participants with the tools, strategies, and ethical considerations required to manage government relations and drive policy advocacy with impact and integrity.

Course Objectives of Mastering Government Relations and Policy Advocacy

Upon completing this programme, participants will be able to:

- Understand the structures and processes of government and policymaking.
- Develop and implement effective government relations strategies.
- Engage with policymakers, regulators, and public institutions strategically.
- Design and execute impactful policy advocacy campaigns.
- Navigate legal, ethical, and reputational aspects of advocacy efforts.

Course Methodology of Mastering Government Relations and Policy Advocacy

- Lectures and Expert Insights: Leading industry experts will share their insights and best practices.
- Case Studies: Analyse real-world talent acquisition challenges and solutions.
- Group Discussions: Engage in meaningful discussions and share experiences with peers.
- Role-Playing and Simulations: Practice recruitment scenarios to enhance skills.
- Hands-on Workshops: Gain practical experience in using recruitment tools and techniques.

Organisational Impact of Mastering Government Relations and Policy Advocacy

This training programme will have a positive impact on organisations by:

- Improved alignment between organisational goals and government policies.
- Strengthened influence in regulatory and legislative environments.
- Enhanced ability to manage risk and reputation in public affairs.
- More effective engagement with key government and policy stakeholders.
- Increased visibility and credibility within policymaking circles.

Personal Impact of Mastering Government Relations and Policy Advocacy

Participants will experience personal growth and development, including:

- Improved confidence in dealing with government and legislative bodies.
- Advanced skills in lobbying, negotiation, and public affairs strategy.
- Broader understanding of policy dynamics and institutional frameworks.
- Ability to build long-term strategic relationships with public-sector stakeholders.

Who Should Attend

This training programme is ideal for:

- Public affairs, government relations, coordinators, and policy professionals
- Corporate and NGO representatives involved in advocacy
- Public sector managers and liaison officers
- Legal, compliance, and regulatory specialists
- Leaders and executives seeking to influence policy change
